Jamaat Ansar Bayt Al-Maqdis :: Statement regarding the martyrdom of the mujahid Ibrahim Aweidah in by the Israeli Mossad

بسم الله الرحمن الرحيم

الحمد لله رب العالمين، والصلاة والسلام على أشرف المرسلين سيدنا محمد و على آله و أصحابه و من سار على هديهم الى يوم الدين أما بعد.

The Almighty says:

(Relent not in pursuit of the enemy. If ye are suffering, lo! they suffer even as ye suffer and ye hope from Allah that for which they cannot hope. Allah is ever Knower, Wise) 104 Surah An-Nisa.

We mourn to our Muslim brothers and we convey to them the martyrdom of our brother the hero Ibrahim Aweidah Nassir Bariykat (Abu Yusuf) a man in a time when the men are few, that hero in the time of scum and mob... was assassinated by the Zionist hand of treachery and betrayal on Sunday 8 Shawal 1433 A.H. corresponding 26 August 2012.

At 10:30 am by an IED that was planted for him on the road to his home.

As soon as the incident occurred and his brothers in Jamaat Ansar Bayt Al-Maqdis knew about it they rose up to seek revenge and uncover the treachery and betrayal so they roamed the land searching and investigating until they reached with the grace of Allah alone to the details of the criminal incident and those who participated in it which is a group from four persons who planted the IED for the mujahid brother with the help of spies for them on Saturday 7 Shawal 1433 A.H. night then they retreated and they detonated it when the martyr as we expect him to be passed on his motorcycle on the IED location and with the grace of Allah the spies who participated and delivered the executors to that region and monitored the brother in the period that preceded that action were identified.

With the grace of Allah alone in three days the mujahidin of Jamaat Ansar Bayt Al-Maqdis were able to capture the main spy in that operation the named (Munaizil Mohammed Suleiman Salama) the one responsible for recruiting the rest of the spies and responsible for monitoring the martyr as we expect him to be and by interrogating him the brothers reached to the whole details which is as follows:

* The Israeli Mossad kept the martyr as we expect him to be (Ibrahim Aweidah) for a while for his activity in the big Jihadi operations against the Jews and he himself conducting operations where several Jews were killed so the Mossad decided to eliminate him since it is impossible to reach to him alive and arrest him.

* Three Egyptian spies were used to monitor the martyr as we expect him to be and deliver the Zionist officers who executed the operation to the location of the operation and they are:

1- Munaizil Mohammed Suleiman Salama

2- Salama Mohammed Salama Al-Awida

3- Suleiman Salama Hamdan

* One of the spies (Salama Mohammed Salama Al-Awida) planted an electronic chip below the fuel tank of the martyr's motorcycle a week before executing the assassination operation and the function of the chip is to send a signal received by the IED when the motorcycle passes on it so the detonation circuit closes in the IED and it explodes immediately when the target passes over it.

* This operation was conducted with two attempts where the four Zionist officers penetrated the Egyptian borders and they reached to the road of (Khariza) village home of the martyr (as we expect him to be) twice.

* The first one was on the night of Tuesday 3 Shawal at 9 pm and they retreated on Wednesday morning at 1 am and the attempt failed since the martyr Ibrahim Aweidah (as we expect him to be) wasn't present in the village because the Egyptian security summoned him for interrogation in Arish on that day.

* But the second attempt which succeeded for Allah's predestination which its details are as follows: The three spies who concurred with a Jewish Mossad officer crossed the borders into inside the occupied Palestinian territories on Friday 6 Shawal and returned on Saturday 7 Shawal accompanied by four Zionist officers each one of them carrying a bag with an IED weighing 20 kg from Alttre the high explosive subsistence and a M16 machine gun.

* They penetrated the Egyptian borders and advanced inside the Egyptian territories to 15 km where is the (Khariza) village situated and they reached it at 9 pm and they planted the IED on the road that lead to the house of the martyr as we expect him and on Sunday at 1 am 8 Shawal the Zionist officers retreated accompanied by the spies to outside the Egyptian borders and there was support and monitoring of the road by Zionist unmanned drones.

* On the morning of the same day Sunday 8 Shawal the mujahid brother martyr (as we expect him to be) passed in his known time predestined by the Lord of the worlds for the IED to explode when the motorcycle that was carrying the brother was passed over the IED and the carnage of that hero scattered who wished that kind of death all his life and was yearned for it like he is saying:

(Arabic poetry)

I don't care when I die a Muslim on which side do I fall for the sake of Allah

For that is for the sake of Allah and if Allah wishes He will bless the scattered carnage

* Yes this is the death that he wished and worked for it by that hero and role model for the Muslim youth of the high morals since he may Allah accept him was characterized with bravery, courage, vigilant, cautious and of intense discipline also he had the signs of sincerity as we expect him to be and don't recommend anyone before Allah.

* He may Allah accept him had experience and high skill in monitoring the borders and accuracy of observing the movements of the enemy and from the most important operations that he participated in:

- He participated in the big operation of Eilat on 18 Ramadan 1432 A.H. and he was from the attribution team of the operation.

- The brother by himself conducted the operation of targeting the bus of the Zionist soldiers near Eilat (Umm Al-Rashrash) on 3 Ramadan 1433 A.H. where Jewish officers were killed in it and they play to cover up that it is a tourist bus as though tourist buses pass through military posts on the border.

May Allah have mercy on you Abu Yusuf since you made them wakeful and made sleep leave their eyes and shed their filthy blood and continued in that until death came to you in the time, location and way predestined by Allah... you died as heroes die with the swords of their enemies... you died with no grave to gather you which is the Dawah of Muslim heroes and their masters... good for you and good for you!

Despite of that your brothers won't rest until they revenge for you and the Ummah of Islam from your enemy and their enemy the Jews and their spies.

The first stage of revenge was uncovering the cell spying for the interest of the Zionist entity which its fate was as follows:

1- Munaizil Mohammed Suleiman Salama

Your brothers the mujahidin discovered his involvement in the operation and a quick plan was set to capture him and he was arrested in a tight ambush for the mujahidin and he eliminated after he was interrogated and gave all the details and recognized his crime.

2- Suleiman Salama Hamdan

In his case appeared the characteristics and genuineness of the proud tribes and families of Sinai since immediately after his family was confirmed of his involvement in the matter and his work with the Mossad against his Ummah it disowned him and handed him over to the relatives of the martyr to take revenge from him.

3- Salama Mohammed Salama Al-Awida

He ran away to inside the Zionist entity crowned with disgrace and shame waiting for the just retaliation.

The second stage Allah willing will be spilling the blood of the Jews and scattering of their carnage and tomorrow is near to who sees it O' Jews the saying is what you see not hear.

In this occasion we address our people the proud Muslim nation of Egypt that your brothers the mujahidin are now the first defense line before the Zionist enemy... and the major constraint before its dreams and schemes... we fail its programs and topple their spies and repel its aggressions with the grace and aid of Allah... and we won't rest until we

erase all its projects and ambitions in Egypt and cut all its limbs and sources in it with repelling its aggression on the Ummah of Islam by occupying our land and desecration of our and killing and displacing our people in Palestine so be an aid to us... and don't followers of the malignant media campaign of the Zionists of the Egyptian media which aims to distort any action against the Jews... so don't hear about us but hear us and look at our deeds and you know our methodology and goal.

(and Allah is the master of His affair, but most people do not know)

Wa Akhiru Dawana anil Hamdulliahi Rabbil alameen.
